

# Stay Connected - Here's How!

## ***BANDapp***

Don't miss a thing! First thing's first, and MOST IMPORTANTLY be sure to join our BANDapp to stay updated on all things RMB. This app will show you (and remind you of) EVERYTHING planned for the year: rehearsals, concerts, events, fundraisers, and pick-up & drop-off locations just to name a few. You can also ask questions, communicate with other families, as well as share photos and videos from the season. This app is spectacular, so please make sure this is the first thing you do!

## ***Email & Parent Square***

Email & Parent Square will be your Music Director's primary means of school-related communication with your family. Please be sure you have signed up to receive Parent Square messages from your school & district, and to check your email regularly for fully detailed updates of the events to come. Questions along the way? No problem - simply reach out to us with any of the emails below!
